

How much will our event cost?

Red Lion Restaurant's Financial planning worksheet.

The majority payment (minus deposit) and guaranteed number guests is due seven days prior to the date of the event. Your numbers may increase without penalty.

The final payment is due the evening of the event.

This sheet is to help you plan the approximate cost of your party, it is not a guarantee. We are happy to complete two estimates for each event, one on your first visit and one the final week of your party. If you wish for more estimates feel free to print or ask for as many sheets as you need to fill out yourselves at your leisure.

If you require more help or have any questions please let us know. In our experience the average meal cost is from \$30.00 - \$50.00 per person. Parties average a cost of \$15.00 - \$24.00 per person in alcohol. Only the cost of food and beverages are applied to the minimums. What you eat, drink, tax, tip and fees should total the cost of your event. It should be that easy.

When comparing the Red Lion to other venues please consider the following.

- Eight and one half hours of event time on average.
- A selection of at least three entrée choices per guest.
 - Children are less expensive.
- The above includes, white linens, tables, chairs, silverware, china, serving pieces, indoor and outdoor space, ice, service, taxes, site, rehearsal time, four planning hours and more.
